1. PROPOSAL DEADLINE,

Proposals shall be received by **3:00 P.M., EDST, on Wednesday, April 30, 2025**, at the Housing Authority of the City of Gaffney, SC, 125 Beltline Road, Gaffney, South Carolina 29341. Proposals may be submitted before the deadline, but no proposal shall be evaluated until after this deadline. No proposals will be accepted after the deadline. This will be an electronic RFP and will only be available on www.gaffneyha.org by request at ajones@gaffneyha.org. It is the firm's responsibility to ensure that the entire RFP package has been reviewed before the firm's submission of a proposal.

2. PURPOSE OF PROPOSAL

The objective of the solicitation is to allow the Housing Authority of the City of Gaffney, SC (hereinafter referred to as "GHA") to select a firm(s) or individual(s) who will provide the required Pest Control Services at a fair and reasonable cost. The solicitation will provide the best value to the GHA and not necessarily the lowest price. Respondents will be evaluated on relevant experience, project staffing, corporate management support, past performance, and price. The solicitation will provide the specific requirements for submission.

3. SUBMISSION PACKAGE

Bidders shall provide one (1) unbound original and two (2) copies of their complete submission package in a sealed envelope or box. Bidders must submit separate Technical and Cost Proposals for each group bid. On the outside, there should be the bidder's name, address, and the due date, along with the following information:

Pest Control Services
Request for Proposals (RFP) 03-02

The proposal should be delivered or mailed to the following address:

Housing Authority of the City of Gaffney
Adrian Jones, Director of Maintenance
125 Beltline Rd.
Gaffney, South Carolina 29341

The submission package shall be signed by an officer of the respondent who is legally authorized to enter a contractual relationship on behalf of the respondent, and the respondent shall affix the organization's corporate seal to these documents. In the absence of a corporate seal, the submission package shall be notarized.

4. **DEADLINE FOR INQUIRIES**

Questions concerning this RFP shall be submitted via email only to ajones@gaffneyha.org, and the deadline for inquiries is Monday, March 31, 2025, at 5:00 p.m. EDST. No phone calls will be accepted. No verbal requests for clarification or information will be accepted. An Addendum and such Addenda will have the same binding effect as though contained in the original RFP.

5. **SCOPE OF SERVICES**

The GHA is seeking proposals from a firm(s) or individual(s) to furnish Pest Control Services at approximately four (4) sites in strict accordance with the specifications as outlined in Exhibit A Performance Work Statement for Pest Control Services and all other requirements as specified in this solicitation package. The Four sites are as followed:

Name of Complex	Location
Limestone Courts	940 N. Limestone St, Gaffney, SC 29340
Granard Courts	524 W. Rutledge Courts, Gaffney, SC 29341
Colonial Heights	630 Colonial Heights, Gaffney, SC 29340
Beltline Courts	125 Beltline Rd, Gaffney, SC 29341

This proposal will result in a performance-based contract. The anticipated contract will be for one (1) year beginning June 1, 2025, and ending on May 31, 2026, with an option to extend the contract for two (2) additional one (1) year terms based upon mutual agreement. The requirements defined in the Performance Work Statement are based on the output of services and not the level of effort required to perform functions. The contractor understands that this is a full turnkey performance contract for Pest Control Services. It will be the sole responsibility of the Contractor to meet all requirements as outlined in the Performance Work Statement. The actual scheduling of the services will be coordinated between the Contractor and the Director of Maintenance. The Director of Maintenance will be the point of contact for day-to-day services and will manage, supervise, and monitor services provided by the Contractor. Exhibit F Breakdown of Sites by Building and Unit Types is provided for information purposes, but the GHA does not guarantee this document to be completely accurate.

If the Respondent desires to visit any sites, they should contact Adrian Jones at 864-489-3193, who will make the appropriate arrangements.

- C. TAB 3 Complete the Contractor References Form (SEE EXHIBIT D)

 - 1. Attachment 1 – Affidavit of Non-Default
 - 2. Attachment 2 – Non-Collusive Affidavit

***Failure to provide any of the proposal criteria may be grounds for considering the bidder as non-responsive.**

7. EVALUATION OF PROPOSALS

- A. The evaluation committee will be comprised of representatives from the GHA.
- B. The evaluation of proposals and the determination as to the quality of services offered shall be the responsibility of the GHA and will be based on information furnished by the bidders in their responding proposal, as well as other information reasonably available.
- C. Proposals shall be evaluated in a two (2) step process (Technical and Cost). Each Technical proposal will be evaluated to determine if the criteria of the RFP will be met. The Evaluation Criteria will be the following: Company/Organization, Past Performance of Comparable Work, Management Approach, Knowledge of Special Treatments, Availability/Staffing to facilitate a timely response, and Section 3/MBE/WBE Compliance or Program. For the Bidder that receives a favorable score on the technical proposal, GHA will then evaluate their Cost proposal to determine if the firm is within the competitive cost range determined by GHA.
- D. Bidders are requested and advised to be as complete as possible in their response. The GHA reserves the right to: 1) contact any bidder to clarify any response; 2) contact any current users of a bidder's services; 3) solicit information from any available source concerning any aspect of the proposal; and 4) seek and review any other information deemed pertinent to the evaluation process.

E. Proposals that appear unrealistic in terms of management commitments or are indicative of failure to comprehend the complexity of this RFP and subsequent contracts may be rejected.

F. The GHA reserves the right to waive informalities and minor irregularities in proposals received.

G. The GHA reserves the right to reject, for specific reasons, any proposals received which include, but are not limited to, non-compliance with the RFP and stated requirements.

H. The GHA shall not be obligated to accept the lowest priced proposal, but will make an award in the best interest of the GHA after all factors have been evaluated including, but not limited to, the ability of the bidder to provide the services to meet the requirements as specified in the RFP and an evaluation of the bidder's ability to supply the proposed services.

I. Upon Contract award, results of the evaluations will be available to all bidders who submitted proposals.

J. The bidder shall submit its firm's proposal in two (2) parts, Technical and Price, having both sealed and separated.

K. All proposals will be evaluated initially by applying the criteria specified in this RFP. After all proposals have been evaluated, they will be further evaluated to determine which are most favorable to the GHA. Sites will thereafter be awarded to firms in accordance with which proposals are deemed to be the most favorable to the GHA.

L. It is not mandatory that a bidder bid on every site/lot. A bidder, therefore, may elect to bid on one (1) site/lot, all the sites/lots, or any number in between. It is the intent of the GHA to select more than one (1) Contractor to perform these services; however, the GHA reserves the right to select just one (1) Contractor should it be deemed to be in the best interest of the GHA. Most likely, a few Contractors will each be awarded several sites.

M. A bidder may be required to present an oral presentation and be prepared to participate in a Question and Answer (Q&A) session conducted by the GHA evaluation panel. The oral presentation and the Q&A session will not become a part of any contract resulting from the RFP. The purpose of the oral presentation is to furnish sufficient information and rationale to allow the GHA to evaluate the bidder's capability in relation to the requirements of the solicitation. The GHA's task is not to assess what the offeror will do (that will be specified in the RFP response) but rather to determine whether the bidder understands the requirements and can propose an executable and effective approach.

8. SECTION 3 CLAUSE

The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the U.S. Department of Housing and Urban Development and is subject to the requirement of Section 3 of the Housing and Urban Development Act of 1968, as amended. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the area of the Section 3 covered project, and contracts for work in connection with the project be awarded to business concerns which are located in or owned in substantial part by people residing in the area of the Section 3 covered project. For the purpose of training and employment, the Section 3 area is the metropolitan area or non-metropolitan county in which the project is located.

9. EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this Contract, the Contractor agrees as follows: A. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. B. The Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, (1) employment, (2) upgrading, (3) demotion, (4) transfer, (5) recruitment or recruitment advertising, (6) layoff or termination, (7) rates of pay or other forms of compensation, and (8) selection for training, including apprenticeship.

a) Commercial General Liability: Shall have minimum limits of \$1,000,000 per occurrence combined single limit with a \$2,000,000 annual aggregate for bodily injury liability and property damage liability. This shall include premises and/or operations, independent contractors, products and/or completed operations, broad form property damage, and contractual liability endorsement.

The coverage must include employers' liability with a limit of \$100,000 for each accident, \$100,000 for bodily injury by disease for each owner/employee, and a \$500,000 bodily injury by disease policy limit. Where applicable, coverage shall meet any additional requirements of state and federal law.
- d) Honesty Bonds: The contractor must furnish proof of honesty bonds in the amount of \$50,000, covering all workers who will be on GHA property.

GHA shall be named as an additional insured on both the comprehensive general liability and business auto liability policies. Current, valid insurance policies and bonds meeting the requirements identified herein shall be maintained during the entire term of this Agreement. Renewal certificates shall be sent to GHA thirty (30) days prior to any expiration date, and the Contractor's insurer(s) and bond provider shall give GHA thirty (30) days prior written notification in the event of cancellation or modification by either Contractor or Contractor's insurer(s) or bond provider of any coverage required by this Agreement.

The contractor shall furnish GHA with a Certificate(s) of Insurance evidencing the coverage required herein. It shall be unacceptable for any Certificate of Insurance to contain language or wording to the effect that the insurer shall have no liability or failure to provide the prior notices required herein.

It shall be the responsibility of the Contractor to ensure that any agreements between the Contractor and subcontractors shall contain the same insurance requirements as set forth herein.

12. CONTRACT PRICING ADJUSTMENTS

The successful bidder advises that the area of a site or property to be serviced may change due to major construction, renovation, relocation, demolition, etc. In the event that such a situation occurs, which results in a change in the specified area to be serviced, GHA will negotiate a change in pricing to reflect that change in area. If an entire site/property should no longer need service, GHA shall have the right to cancel that site/property from the overall agreement and will negotiate with the Contractor a settlement for that particular site. If the requirements of the Performance Work Statement at a particular site should need to be modified for any reason, the GHA will negotiate with the Contractor as to a fair and reasonable cost.

13. ADMINISTRATIVE INFORMATION

The successful bidder must not be debarred, suspended, or otherwise ineligible to contract with GHA, and must not be included on the General Services Administration's "List of Parties Excluded from Federal Procurement and Non – procurement Programs" or the U. S. Department of Housing and Urban Development's "Limited Denial of Participation" list.

Contract Agreement: During the original term and all possible renewal terms of the contract resulting from this RFP, GHA expressly reserves the right to pursue and implement proposals to procure similar or related services as described in this RFP.

14. ADDITIONAL RFP TERMS AND CONDITIONS

A. Expense of Submission

All expenses involved with the preparation and submission of responses to the GHA, as well as, all expenses associated with the respondent's attendance associated with an oral presentation, interview, or other pre-award activity shall be borne by the respondent. In submitting a Proposal, each Bidder agrees that the DHA may reveal any trade secret materials contained in such response to all DHA staff and DHA officials involved in the selection process, and to any outside consultant or other third parties who serve on the evaluation committee or who are hired by the GHA to assist in the selection process. Furthermore, each Bidder agrees to indemnify and hold harmless the GHA and each of its officers, employees, and agents from all costs, damages, and expenses incurred in connection with refusing to disclose any material that the Bidder has designated as a trade secret. Any Bidder that designates its entire proposal as a trade secret may be disqualified.

(b) Each signature on the bid/offer is considered to be a certification by the signatory that the signatory:

(c) If the bidder/offeror deletes or modifies subparagraph (a)2 above, the bidder/offeror must furnish with its bid/offer a signed statement setting forth in detail the circumstances of the disclosure.

4. Organizational Conflicts of Interest Certification

(a) The Contractor warrants that to the best of its knowledge and belief and except as otherwise disclosed, it does not have any organizational conflict of interest which is defined as a situation in which the nature of work under a proposed contract and a prospective contractor's organizational, financial, contractual or other interest are such that:

(ii) The Contractor's objectivity in performing the contract work may be impaired; or

(iii) That the Contractor has disclosed all relevant information and requested the HA to make a determination with respect to this Contract.

(b) The Contractor agrees that if after award he or she discovers an organizational conflict of interest with respect to this contract, he or she shall make an immediate and full disclosure in writing to the HA which shall include a description of the action which the Contractor has taken or intends to eliminate or neutralize the conflict. The HA may, however, terminate the Contract for the convenience of HA if it would be in the best interest of HA.

(c) In the event the Contractor was aware of an organizational conflict of interest before the award of this Contract and intentionally did not disclose the conflict to the HA, the HA may terminate the Contract for default.

(d) The Contractor shall require a disclosure or representation from subcontractors and consultants who may be in a position to influence the advice or assistance rendered to the HA and shall include any necessary provisions to eliminate or neutralize conflicts of interest in consultant agreements or subcontracts involving performance or work under this Contract.

1. Bid Preparation and Submission

(a) Bidders are expected to examine the specifications, drawings, all instructions, and, if applicable, the construction site (see also the contract clause entitled **Site Investigation and Conditions Affecting the Work** of the *General Conditions of the Contract for Construction*). Failure to do so will be at the bidders' risk.

(b) All bids must be submitted on the forms provided by the Public Housing Agency/Indian Housing Authority (PHA/IHA). Bidders shall furnish all the information required by the solicitation. Bids must be signed and the bidder's name typed or printed on the bid sheet and each continuation sheet which requires the entry of information by the bidder. Erasures or other changes must be initialed by the person signing the bid. Bids signed by an agent shall be accompanied by evidence of that agent's authority. (Bidders should retain a copy of their bid for their records.)

(c) Bidders must submit as part of their bid a completed form HUD-5369-A, "Representations, Certifications, and Other Statements of Bidders."

(d) All bid documents shall be sealed in an envelope which shall be clearly marked with the words "Bid Documents," the Invitation for Bids (IFB) number, any project or other identifying number, the bidder's name, and the date and time for receipt of bids.

(e) If this solicitation requires bidding on all items, failure to do so will disqualify the bid. If bidding on all items is not required, bidders should insert the words "No Bid" in the space provided for any item on which no price is submitted.

(f) Unless expressly authorized elsewhere in this solicitation, alternate bids will not be considered.

(g) Unless expressly authorized elsewhere in this solicitation, bids submitted by telegraph or facsimile (fax) machines will not be considered.

(h) If the proposed contract is for a Mutual Help project (as described in 24 CFR Part 905, Subpart E) that involves Mutual Help contributions of work, material, or equipment, supplemental information regarding the bid advertisement is provided as an attachment to this solicitation.

2. Explanations and Interpretations to Prospective Bidders

(a) Any prospective bidder desiring an explanation or interpretation of the solicitation, specifications, drawings, etc., must request it at least 7 days before the scheduled time for bid opening. Requests may be oral or written. Oral requests must be confirmed in writing. The only oral clarifications that will be provided will be those clearly related to solicitation procedures, i.e., not substantive technical information. No other oral explanation or interpretation will be provided. Any information given a prospective bidder concerning this solicitation will be furnished promptly to all other prospective bidders as a written amendment to the solicitation, if that information is necessary in submitting bids, or if the lack of it would be prejudicial to other prospective bidders.

(b) Any information obtained by, or provided to, a bidder other than by formal amendment to the solicitation shall not constitute a change to the solicitation.

3. Amendments to Invitations for Bids

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Bidders shall acknowledge receipt of any amendment to this solicitation (1) by signing and returning the amendment, (2) by identifying the amendment number and date on the bid form, or (3) by letter, telegram, or facsimile, if those methods are authorized in the solicitation. The PHA/IHA must receive acknowledgement by the time and at the place specified for receipt of bids. Bids which fail to acknowledge the bidder's receipt of any amendment will result in the rejection of the bid if the amendment(s) contained information which substantively changed the PHA's/IHA's requirements.

(c) Amendments will be on file in the offices of the PHA/IHA and the Architect at least 7 days before bid opening.

4. Responsibility of Prospective Contractor

(a) The PHA/IHA will award contracts only to responsible prospective contractors who have the ability to perform successfully under the terms and conditions of the proposed contract. In determining the responsibility of a bidder, the PHA/IHA will consider such matters as the bidder's:

- (1) Integrity;
- (2) Compliance with public policy;
- (3) Record of past performance; and
- (4) Financial and technical resources (including construction and technical equipment).

(b) Before a bid is considered for award, the bidder may be requested by the PHA/IHA to submit a statement or other documentation regarding any of the items in paragraph (a) above. Failure by the bidder to provide such additional information shall render the bidder nonresponsible and ineligible for award.

5. Late Submissions, Modifications, and Withdrawal of Bids

(a) Any bid received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it:

(1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);

(2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the PHA/IHA that the late receipt was due solely to mishandling by the PHA/IHA after receipt at the PHA/IHA; or

(3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and observed holidays.

(b) Any modification or withdrawal of a bid is subject to the same conditions as in paragraph (a) of this provision.

(c) The only acceptable evidence to establish the date of mailing of a late bid, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the bid, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, bidders should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(d) The only acceptable evidence to establish the time of receipt at the PHA/IHA is the time/date stamp of PHA/IHA on the proposal wrapper or other documentary evidence of receipt maintained by the PHA/IHA.

(e) The only acceptable evidence to establish the date of mailing of a late bid, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, bidders should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and Failure by a bidder to acknowledge receipt of the envelope or wrapper.

(f) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful bid that makes its terms more favorable to the PHA/IHA will be considered at any time it is received and may be accepted.

(g) Bids may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before the exact time set for opening of bids; provided that written confirmation of telegraphic or facsimile withdrawals over the signature of the bidder is mailed and postmarked prior to the specified bid opening time. A bid may be withdrawn in person by a bidder or its authorized representative if, before the exact time set for opening of bids, the identity of the person requesting withdrawal is established and the person signs a receipt for the bid.

6. Bid Opening

All bids received by the date and time of receipt specified in the solicitation will be publicly opened and read. The time and place of opening will be as specified in the solicitation. Bidders and other interested persons may be present.

7. Service of Protest

(a) Definitions. As used in this provision:

"Interested party" means an actual or prospective bidder whose direct economic interest would be affected by the award of the contract.

"Protest" means a written objection by an interested party to this solicitation or to a proposed or actual award of a contract pursuant to this solicitation.

(b) Protests shall be served on the Contracting Officer by obtaining written and dated acknowledgement from —

[Contracting Officer designate the official or location where a protest may be served on the Contracting Officer]

(c) All protests shall be resolved in accordance with the PHA's/IHA's protest policy and procedures, copies of which are maintained at the PHA/IHA.

8. Contract Award

(a) The PHA/IHA will evaluate bids in response to this solicitation without discussions and will award a contract to the responsible bidder whose bid, conforming to the solicitation, will be most advantageous to the PHA/IHA considering only price and any price-related factors specified in the solicitation.

(b) If the apparent low bid received in response to this solicitation exceeds the PHA's/IHA's available funding for the proposed contract work, the PHA/IHA may either accept separately priced items (see 8(e) below) or use the following procedure to determine contract award. The PHA/IHA shall apply in turn to each bid (proceeding in order from the apparent low bid to the high bid) each of the separately priced bid deductible items, if any, in their priority order set forth in this solicitation. If upon the application of the first deductible item to all initial bids, a new low bid is within the PHA's/IHA's available funding, then award shall be made to that bidder. If no bid is within the available funding amount, then the PHA/IHA shall apply the second deductible item. The PHA/IHA shall continue this process until an evaluated low bid, if any, is within the PHA's/IHA's available funding. If upon the application of all deductibles, no bid is within the PHA's/IHA's available funding, or if the solicitation does not request separately priced deductibles, the PHA/IHA shall follow its written policy and procedures in making any award under this solicitation.

(c) In the case of tie low bids, award shall be made in accordance with the PHA's/IHA's written policy and procedures.

(d) The PHA/IHA may reject any and all bids, except other than the lowest bid (e.g., the apparent low bid is unreasonably low), and waive informalities or minor irregularities in bids received, in accordance with the PHA's/IHA's written policy and procedures.

(e) Unless precluded elsewhere in the solicitation, the PHA/IHA may accept any item or combination of items bid.

(f) The PHA/IHA may reject any bid as nonresponsive if it is materially unbalanced as to the prices for the various items of work to be performed. A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated for other work.

(g) A written award shall be furnished to the successful bidder within the period for acceptance specified in the bid and shall result in a binding contract without further action by either party.

9. Bid Guarantee (applicable to construction and equipment contracts exceeding \$25,000)

All bids must be accompanied by a negotiable bid guarantee which shall not be less than five percent (5%) of the amount of the bid. The bid guarantee may be a certified check, bank draft, U.S. Government Bonds at par value, or a bid bond secured by a surety company acceptable to the U.S. Government and authorized to do business in the state where the work is to be performed. In the case where the work under the contract will be performed on an Indian reservation area, the bid guarantee may also be an irrevocable Letter of Credit (see provision 10, Assurance of Completion, below). Certified checks and bank drafts must be made payable to the order of the PHA/IHA. The bid guarantee shall insure the execution of the contract and the furnishing of a method of assurance of completion by the successful bidder as required by the solicitation. Failure to submit a bid guarantee with the bid shall result in the rejection of the bid. Bid guarantees submitted by unsuccessful bidders will be returned as soon as practicable after bid opening.

10. Assurance of Completion

(a) Unless otherwise provided in State law, the successful bidder shall furnish an assurance of completion prior to the execution of any contract under this solicitation. This assurance may be [Contracting Officer check applicable items] —

[] (1) a performance and payment bond in a penal sum of 100 percent of the contract price; or, as may be required or permitted by State law;

[] (2) separate performance and payment bonds, each for 50 percent or more of the contract price;

[] (3) a 20 percent cash escrow;

[] (4) a 25 percent irrevocable letter of credit; or,

[] (5) an irrevocable letter of credit for 10 percent of the total contract price with a monitoring and disbursements agreement with the IHA (applicable only to contracts awarded by an IHA under the Indian Housing Program).

(b) Bonds must be obtained from guarantee or surety companies acceptable to the U.S. Government and authorized to do business in the state where the work is to be performed. Individual sureties will not be considered. U.S. Treasury Circular Number 570, published annually in the Federal Register, lists companies approved to act as sureties on bonds securing Government contracts, the maximum underwriting limits on each contract bonded, and the States in which the company is licensed to do business. Use of companies listed in this circular is mandatory. Copies of the circular may be downloaded on the U.S. Department of Treasury website <http://www.fms.treas.gov/c570/index.html>, or ordered for a minimum fee by contacting the Government Printing Office at (202) 512-2168.

(c) Each bond shall clearly state the rate of premium and the total amount of premium charged. The current power of attorney for the person who signs for the surety company must be attached to the bond. The effective date of the power of attorney shall not precede the date of the bond. The effective date of the bond shall be on or after the execution date of the contract.

(d) Failure by the successful bidder to obtain the required assurance of completion within the time specified, or within such extended period as the PHA/IHA may grant based upon reasons determined adequate by the PHA/IHA, shall render the bidder ineligible for award. The PHA/IHA may then either award the contract to the next lowest responsible bidder or solicit new bids. The PHA/IHA may retain the ineligible bidder's bid guarantee.

11. Preconstruction Conference (applicable to construction contracts)

After award of a contract under this solicitation and prior to the start of work, the successful bidder will be required to attend a preconstruction conference with representatives of the PHA/IHA and its architect/engineer, and other interested parties convened by the PHA/IHA. The conference will serve to acquaint the participants with the general plan of the construction operation and all other requirements of the contract (e.g., Equal Employment Opportunity, Labor Standards). The PHA/IHA will provide the successful bidder with the date, time, and place of the conference.

12. Indian Preference Requirements (applicable only if this solicitation is for a contract to be performed on a project for an Indian Housing Authority)

(a) HUD has determined that the contract awarded under this solicitation is subject to the requirements of section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e(b)). Section 7(b) requires that any contract or subcontract entered into for the benefit of Indians shall require that, to the greatest extent feasible

(1) Preferences and opportunities for training and employment (other than core crew positions; see paragraph (h) below) in connection with the administration of such contracts or subcontracts be given to qualified "Indians." The Act defines "Indians" to mean persons who are members of an Indian tribe and defines "Indian tribe" to mean any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and,

(2) Preference in the award of contracts or subcontracts in connection with the administration of contracts be given to Indian organizations and to Indian-owned economic enterprises, as defined in section 3 of the Indian Financing Act of 1974 (25 U.S.C. 1452). That Act defines "economic enterprise" to mean any Indian-owned commercial, industrial, or business activity established or organized for the purpose of profit, except that the Indian ownership must constitute not less than 51 percent of the enterprise; "Indian organization" to mean the governing body of any Indian tribe or entity established or recognized by such governing body; "Indian" to mean any person who is a member of any tribe, band, group, pueblo, or community which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs and any "Native" as defined in the Alaska Native Claims Settlement Act; and Indian "tribe" to mean any Indian tribe, band, group, pueblo, or community including Native villages and Native groups (including

corporations organized by Kenai, Juneau, Sitka, and Kodiak) as defined in the Alaska Native Claims Settlement Act, which is recognized by the Federal Government as eligible for services from the Bureau of Indian Affairs.

(b) (1) The successful Contractor under this solicitation shall comply with the requirements of this provision in awarding all subcontracts under the contract and in providing training and employment opportunities.

(2) A finding by the IHA that the contractor, either (i) awarded a subcontract without using the procedure required by the IHA, (ii) falsely represented that subcontracts would be awarded to Indian enterprises or organizations; or, (iii) failed to comply with the contractor's employment and training preference bid statement shall be grounds for termination of the contract or for the assessment of penalties or other remedies.

(c) If specified elsewhere in this solicitation, the IHA may restrict the solicitation to qualified Indian-owned enterprises and Indian organizations. If two or more (or a greater number as specified elsewhere in the solicitation) qualified Indian-owned enterprises or organizations submit responsive bids, award shall be made to the qualified enterprise or organization with the lowest responsive bid. If fewer than the minimum required number of qualified Indian-owned enterprises or organizations submit responsive bids, the IHA shall reject all bids and readvertise the solicitation in accordance with paragraph (d) below.

(d) If the IHA prefers not to restrict the solicitation as described in paragraph (c) above, or if after having restricted a solicitation an insufficient number of qualified Indian enterprises or organizations submit bids, the IHA may advertise for bids from non-Indian as well as Indian-owned enterprises and Indian organizations. Award shall be made to the qualified Indian enterprise or organization with the lowest responsive bid if that bid is -

(1) Within the maximum HUD-approved budget amount established for the specific project or activity for which bids are being solicited; and

(2) No more than the percentage specified in 24 CFR 905.175(c) higher than the total bid price of the lowest responsive bid from any qualified bidder. If no responsive bid by a qualified Indian-owned economic enterprise or organization is within the stated range of the total bid price of the lowest responsive bid from any qualified enterprise, award shall be made to the bidder with the lowest bid.

(e) Bidders seeking to qualify for preference in contracting or subcontracting shall submit proof of Indian ownership with their bids. Proof of Indian ownership shall include but not be limited to:

(1) Certification by a tribe or other evidence that the bidder is an Indian. The IHA shall accept the certification of a tribe that an individual is a member.

(2) Evidence such as stock ownership, structure, management, control, financing and salary or profit sharing arrangements of the enterprise.

(f) (1) All bidders must submit with their bids a statement describing how they will provide Indian preference in the award of subcontracts. The specific requirements of that statement and the factors to be used by the IHA in determining the statement's adequacy are included as an attachment to this solicitation. Any bid that fails to include the required statement shall be rejected as nonresponsive. The IHA may require that comparable statements be provided by subcontractors to the successful Contractor, and may require the Contractor to reject any bid or proposal by a subcontractor that fails to include the statement.

(2) Bidders and prospective subcontractors shall submit a certification (supported by credible evidence) to the IHA in any instance where the bidder or subcontractor believes it is infeasible to provide Indian preference in subcontracting. The acceptance or rejection by the IHA of the certification shall be final. Rejection shall disqualify the bid from further consideration.

(g) All bidders must submit with their bids a statement detailing their employment and training opportunities and their plans to provide preference to Indians in implementing the contract; and the number or percentage of Indians anticipated to be employed and trained. Comparable statements from all proposed subcontractors must be submitted. The criteria to be used by the IHA in determining the statement(s)'s adequacy are included as an attachment to this solicitation. Any bid that fails to include the required statement(s), or that includes a statement that does not meet minimum standards required by the IHA shall be rejected as nonresponsive.

(h) Core crew employees. A core crew employee is an individual who is a bona fide employee of the contractor at the time the bid is submitted; or an individual who was not employed by the bidder at the time the bid was submitted, but who is regularly employed by the bidder in a supervisory or other key skilled position when work is available. Bidders shall submit with their bids a list of all core crew employees.

(i) Preference in contracting, subcontracting, employment, and training shall apply not only on-site, on the reservation, or within the IHA's jurisdiction, but also to contracts with firms that operate outside these areas (e.g., employment in modular or manufactured housing construction facilities).

(j) Bidders should contact the IHA to determine if any additional local preference requirements are applicable to this solicitation.

(k) The IHA [] does [] does not [Contracting Officer check applicable box] maintain lists of Indian-owned economic enterprises and Indian organizations by specialty (e.g., plumbing, electrical, foundations), which are available to bidders to assist them in meeting their responsibility to provide preference in connection with the administration of contracts and subcontracts.

- (a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.
- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.

- (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.
- (d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.

4. Examination and Retention of Contractor's Records
